Updated August 1, 2022

By clicking the "liability waiver and agreement" box on the event registration page I acknowledge that I have read, understood, and voluntarily agree to be bound by this activity liability waiver and all of its provisions. I realize that in doing so I am surrendering and releasing valuable legal rights.

Further, I affirm that I am at least eighteen (18) years of age and fully competent to sign this Release, or if not, my parent or guardian is also signing this Release.

Assumption of risks

- **Safety, Policies and Procedures: I understand that Oregon Wild takes reasonable efforts to make the Activity safe,** but I also recognize that it is impossible for Oregon Wild to guarantee my safety, to fully protect me from harm or injury, or to guarantee that the Activity will proceed exactly as planned. I understand and agree that safety is a shared responsibility, and as a participant, I have a duty to act with reasonable caution, to be observant of unsafe conditions, to report any unsafe conditions to Oregon Wild; and to follow all Oregon Wild safety and other rules, standards, and instructions for the Activity.
- **Risks: I understand that the Activity involves various risks, hazards and dangers,** including risks of physical injury, disability, or death and risk of loss of use or damage to my personal property. These risks may result from the use of equipment, materials, or facilities owned by Oregon Wild or others; from the activity itself; acts of God; from travel away from Oregon Wild facilities, from environmental conditions, from the acts or omissions of others. These may include but are not limited to rockfall, wildlife interactions, lightning, inclement weather, accident, illness, giardia, heat exhaustion, and the hazards of road and highway travel; acts beyond the control of Oregon Wild; or from the unavailability of immediate emergency medical care and may result in loss, injury or death. I affirm and acknowledge that I have been sufficiently informed of and understand the inherent hazards and risks associated with this Activity. I also understand that injury or loss may result from unknown or unexpected risks.
- **Assumption of Risks: I voluntarily and knowingly choose to participate in this Activity despite its risks.** I HEREBY ASSUME ALL RISKS that may arise out of or result from the Activity, including but not limited to the risks described above.

I understand that Oregon Wild does not carry any insurance that would cover any injuries or losses I may suffer while participating in this Activity. I acknowledge that I am solely responsible for any and all costs of medical treatment required by me or on my behalf, I agree to pay for such medical treatment, and I assume all risks of such medical treatment. I certify that I have my own health insurance in effect.
- **Consent for Emergency Treatment.** In the event I am injured or become ill or incapacitated during the Activity, I consent to Oregon Wild authorizing transportation and evacuation and to obtain appropriate medical care and treatment for me, all at my own expense. Because the activity may occur in a backcountry setting, I understand that emergency medical care may not be readily available.

If I have any questions or concerns about my abilities to participate in the Activity safely, I will ask Oregon Wild staff.
- **I agree to follow instructions and guidance from Oregon Wild's activity leader** during the outing and understand that my leaders may decline my participation if I'm deemed incapable of safely completing the outing, including if I'm not properly equipped.
- **I agree that I will not bring any intoxicants, firearms, or pets** to the activity unless otherwise arranged and agreed to in advance.
